Online (official) registration of courses will open in WebOodi:

- Autumn semester: 1 August
- Spring semester: 1 December

Workload: Full-time workload for a semester is approximately 30 ECTS credits, i.e. 4-5 courses of 4-10 ECTS credits each.

Course Counselling: The International Coordinator for incoming exchange students in Helsinki will reply to questions on courses and academic matters.
Residence Permit

Find information on immigration and application for a student residence permit at the Finnish Immigration Service, [https://migri.fi/en/studying-in-finland](https://migri.fi/en/studying-in-finland). If you are a citizen of an EU member state, Iceland, Liechtenstein, Norway or Switzerland, you are not required to have a residence permit for Finland.

Students from non-EU/EEA countries (Switzerland excluded) must attach a health insurance certificate to the application for residence permit. The comprehensive private health insurance must cover medical expenses to the amount of 120,000 euros if the studies in Finland last less than two years.

Accommodation

Hanken has no on campus accommodation. Student accommodation is available from the Foundations for student housing in the Helsinki region, HOAS and in the city of Vaasa, VOAS. Students are requested to submit the online application directly to the respective housing office.

Please note that in Helsinki the student accommodation is scarce, and the number of rooms available for Hanken exchange students will not meet the demand. Some students must find accommodation on the private market (check web pages for more info).

**HELSINKI CAMPUS:**

Exchange students going to Hanken Helsinki campus for the Autumn semester or full year shall apply for a HOAS room as of 1 April. Students coming for the Spring semester shall apply as of 1 October. All students who are interested in a room from HOAS shall apply immediately when the application opens on 1 April/1 October at [www.hoas.fi](http://www.hoas.fi) –> HOAS Exchange Student application [http://www.hoas.fi/exchange/forms/furnished-apartment-application](http://www.hoas.fi/exchange/forms/furnished-apartment-application)

**VAASA CAMPUS:**

Exchange students going to Hanken Vaasa campus shall submit the electronic “Housing Application” form at [www.voas.fi](http://www.voas.fi). In Vaasa there is no quota of rooms reserved for exchange students. Students coming for the Autumn semester shall submit the application after 1 May to avoid that the housing application expires before it is their turn to be placed. The student housing situation is not as pressed in Vaasa as in Helsinki and exchange students have almost always been accommodated in VOAS rooms.
Health Care

Hanken carries no responsibility for students in case of illness or accident. Exchange students have to ensure they are sufficiently insured during travels to and from Finland and during the entire stay. Insurances must be bought in the home country before take-off to Finland. Nationals of non-EU/EEA countries (Switzerland excluded) must have the health insurance in order to be eligible for a residence permit. Nationals of the EU member states are partly covered by the Finnish social security system (European Health Care card needed) but must make sure they are fully covered for illness and accidents before leaving their home country.

Students with health insurance can use the services of several different private hospitals.

Arrival and Pick-up Service

Arrival dates with pick-up service are during two days before the Orientation courses in Helsinki and in Vaasa (see Academic calendar). A group of Hanken students act as tutors and support group for exchange students at both campuses. A tutor will meet the student at the airport (railway station, harbour), will provide the key (HOAS/VOAS student housing) and take the student to the apartment.
STUDENT UNION MEMBERSHIP:

Membership in the Student Union of a higher education institution is mandatory in Finland. The fee is EUR 34 per semester. Exchange students pay the fee before arrival. Members benefit discounts on meals, transportation, sports etc.

THE ESTIMATED COST OF LIVING:

The monthly costs in Helsinki can be broken down roughly as:
- Rent: Approx. EUR 400-500 (HOAS student housing), on private market shared apartments EUR 400-900
- Food: Approx. EUR 250 (whereof the subsidized Hanken lunch is EUR 40-50)
- Local transport: approximately EUR 30
- Personal/incidental, study material: EUR 200

The monthly costs in Vaasa can be broken down roughly as:
